VIKING SADDLEBAG GUARD BAG WITH BOTTLE HOLSTER INSTRUCTION

Parts

Saddlebag Guard bag with bottle holster (Right Side)

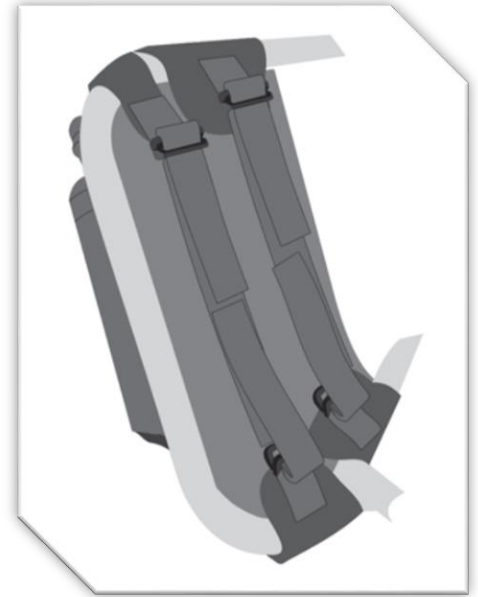

Fig (A)

Instructions

Open the top straps. Loop each strap around the guard as shown in the image and then secure the straps using the plastic rectangles and the Velcro. Repeat for the bottom straps.

Note

The recommended maximum limit for the bag is 3 lbs.

Warnings

- ✓ Do not ride with improperly mounted bags.
- ✓ Overloading the bag may lead to imbalance which can lead to accidents.
